You Can't Stop The Cravings

"You Can't Stop The Cravings"

You can't stop the brownie cravings

As they race into your head

You can try to change your habits

But you know you never will

And you can try to stop my rumbling tummy

But I just cannot stand it

Cause the world keeps spinnin'

Round and round

And my heart's keeping time

To the speed of sound

I was lost till I heard the oven

Then I found my way

Cause you can't stop the cravings

5, 6, 7, 8

Ever since this old world began

A woman found out if she shook it
She could shake up a snack
And so I'm gonna eat and eat
The best that I can today
Cause you can't stop
The smell of the sugar
As it melts in the pan
You can wonder if you wanna
But I never ask why
If you try to hold me down
I'm gonna spit in your eye and say
That you can't stop the craving
You can't stop a brownie block
As it rushes to my mouth
You can try to stop the hands of mine
But you know it just can't be
And if they try to stop me still
I'll call the Sugar police
Cause the world keeps spinning
Round and round
And my heart's keeping time
To the speed of sound
I was lost til I heard the oven
Then I found my way
Cause you can't stop the cravings
Ever since we first saw the light
A man and woman liked to eat it
On a Saturday night
So I'm gonna eat and eat
With all my might today

'Cause you can't stop
The smell of the sugar
As it melts in the pan
You can try to stop the yum yums
We're dreamin' of
But you cannot stop the deliciousness
Of two chocolates I'm in love
Cause you can't stop the cravings
You can't stop today
As it comes speeding down the track
Child, yesterday is history
And it's never coming back
Cause tomorrow is a brand new day
And it don't know healthy from not
Yeah!
Cause the world keeps spinning
Round and round
And my heart's keeping time
To the speed of sound
I was lost til I heard the oven
Then I found my way
'Cause you can't stop the cravings
Ever since we first saw the sun
A man and woman liked to eat it
When the day is done
And so I'm gonna eat and eat
And have some food today
Cause you can't stop
The smell of the sugar
As it melts in the pan

They can try to stop the yum yums
We're dreaming of
But you cannot stop the deliciousness
Of two chocolates I'm in love
You can't stop the cravings
You can't stop the cravings!
You can't stop the cravings!
You can't stop the cravings!
You can't stop the cravings!
